

Add My Kid's Chart to Your Apple iOS Home Screen

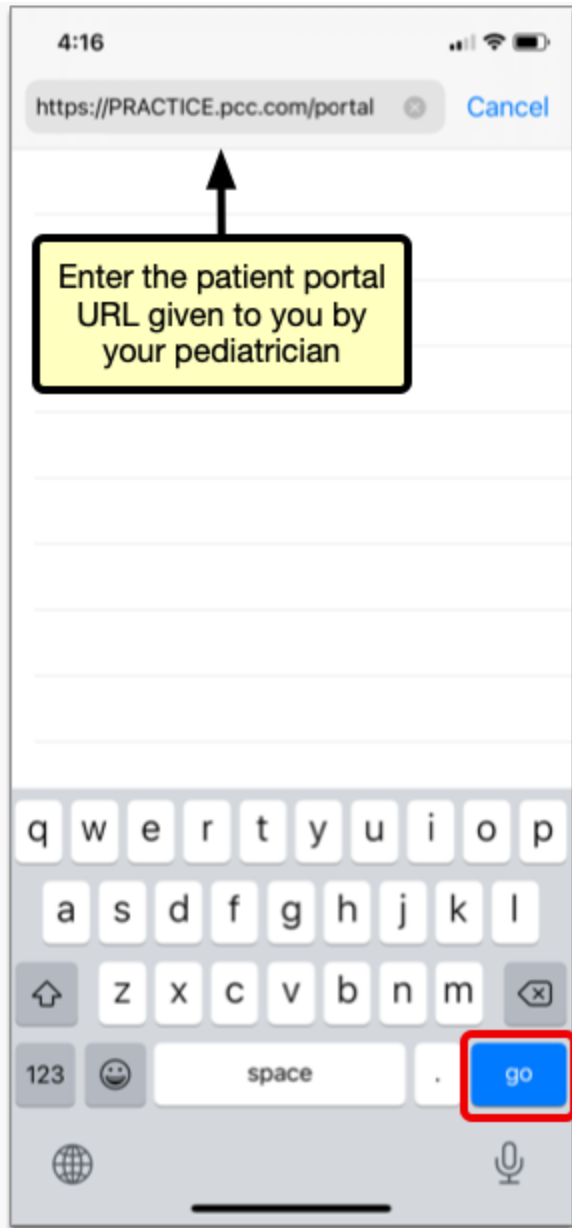

Step 1: Open Your Web Browser

First, open your browser. My Kid's Chart works in any browser; for this example, we'll use Safari, the default browser for the iPhone.

Step 2: Enter the URL for My Kid's Chart

Enter the web address of your pediatrician's patient portal, then go to the website. Contact your pediatrician's office if you do not know the address.

<https://BAP.pcc.com/portal>

Step 3: Add the Link to My Kid's Chart to Your Home Screen

Tap the Action icon at the bottom of your screen (you may have to scroll down to make the Safari system icons appear), and then select "Add to Home Screen."
